DISPLAY

## EPOS & PAX INTEGRATION

The PAX A920 Pro is a next-generation smart terminal that combines EPOS functionality with secure payments in one device. Powered by Android, it offers a larger 5.5" HD touchscreen, faster performance, longer battery life, and improved connectivity with 4G, WiFi, and Bluetooth.

The optional docking station turns the A920 Pro into a countertop EPOS with charging base and receipt printer, removing the need for a separate till. A cash drawer can also be connected if you accept cash.

## ADDRESS

Paynetworx Limited  
Suite 3 Courtyard Offices  
Braxted Park, Braxted Park  
Road Witham, Essex  
CM8 3GA
